Re: Transfer of Notice of Intention, Small Mining Operations, Firepit #1-4, S/053/034,
Washington County, Utah

Dear Mr. Brown:

On September 14, 1995, we received the Transfer of Notice of Intention for Small Mining Operations for the Firepit #1-4 mine transferring the mining permit from Hank Gonzales to you. The transfer was approved and signed by our Division Director September 20, 1995; a copy is enclosed for your records.

The transfer now effectively designates you as the party responsible for all disturbances associated with the Firepit #1-4, located in the NW 1/4 and the SW 1/4 of Section 15, T41S, R13W, Washington County, Utah. Hank Gonzalez, by copy of this letter, is officially released from any further reclamation obligations associated with the site.

We also received your annual report for this operation for the upcoming year. Thank you for you submitting the transfer and the report, thereby keeping us informed of the status of the operation. In December, another annual report form will be sent to you for reporting activity for the year 1995.

Best of luck to you in your new mining venture. If we can be of assistance, please notify us.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
Minerals Regulatory Program
